

Student Assistant (m/w/d)

Cluster of Excellence IntCDC - University of Stuttgart
Keplerstraße 7 and 11
70174 Stuttgart
Baden-Württemberg

Job description

The Cluster of Excellence "[Integrative Computational Design and Construction for Architecture](#)" (IntCDC) aims to harness the full potential of digital technologies to rethink design and construction based on integration and interdisciplinarity, with the goal of enabling game-changing innovation in the building sector for sustainable, inclusive and high-quality architecture.

We are searching for motivated student assistants to support us during the "[Advances in Architectural Geometry](#)" (AAG) Conference, hosted by IntCDC in October 2023.

Responsibilities

Attending coordination meetings, undertaking supporting tasks and helping to make sure that things run smoothly at the conference.

Requisites

Motivation to work during the "Advances in Architectural Geometry" (AAG) Conference.

Punctuality, reliability.

Ability to communicate effectively in English and German.

Certificate of matriculation (Immatrikulationsbescheinigung) of your university for September 2023 (nice to have) and October 2023 (mandatory).

Students from universities in Stuttgart, Esslingen or Vaihingen are welcome to apply.

Availability to work on the city campus of the University Stuttgart (Keplerstraße 7 and 11) from October 2 to October 9, 2023.

Application

Send us your updated CV and availability information by submitting your application via this [link](#)!

We are looking forward to hearing from you!

Best regards,

Carolina García Johnson
Diversity & Equal-Opportunity Manager
Cluster of Excellence IntCDC
University of Stuttgart
